Section-1 Lessons 1 to 60
1. Dhruv Bhagat
2. On the path of Sadhna
3. Twelve syllables transcendental path
4. Eternal Attainment
5. Pole Star
6. (Om Namoh Bhagwate Vasudevaeye)
7. (Om)
8. (Om Namoh)
9. (Om Namoh Bhagwate)
10. (Om Namoh Vasudevaeye)
11. Transcendental boundary
12. Dwadash Adityas
13. 5 space within 4 space
14. 6 space within 5 space
15. 7 space within 6 space
16. Pole star as origin of solar universe
17. 7 space as origin of 6 space
18. Manifestation layer (4, 5, 6, 7)
19. Transcendental range (3, 4, 5, 6, 7)
20. (Self referral state (2, 3, 4, 5, 6, 7)
21. Shabad Braham
22. Anahat Nat
23. Life Breath
24. Nad
25. Air element
26. Anahat Nad
27. Shiv Lok
28  Jyoti
29  Vishnu lok
30  Sole syllable Om
31.  Om
32.  Pranava
33.  Aum
34  Omkar
35  Udegit
36  Braham Jyoti
37  Divya Jyoti
38  Jyoti
39  Triloki
40  Parkash
41  Pursha format
42  Purshotam
43  Golok
44  Sun rays
45  Living Being
46  Purshotam
47  Lord Vishnu
48  Self referral state
49  Surya Lok
50  Manifestation layer (3, 4, 5, 6, 7, 8, 9)
51  Golok
52  Orb of Sun
53  Origin of Sun
54  Transcendence range (5, 6, 7, 8, 9)
55  Self referral range (4, 5, 6, 7, 8, 9)
56  Sun rays
57  Manifestation layer (5, 6, 7, 8)
58  Values range (40, 48, 56, 64)
59  Virtues (40, 48, 56, 64, 72)
60  (40, 48, 56, 64, 72, 80)
Section-2 Lessons 61 to 120

6 space to 7 space
7 space to 8 space
8 space to 9 space
Ahead and ahead
First solid dimension
Pair of solid dimensions
triple solid dimensions
quadruple solid dimensions
penta solid dimensions
Origin as five space seat
Solid origin of first spatial dimension
Solid origin of second spatial dimension
Solid origin of third spatial dimension
Solid origin of fourth spatial dimension
Senses domain to intelligence domain
Intelligence domain to consciousness domain
Conscious domain to unity state
Unity state to natures domain
Natures domain to Brahman domain
Transcendental boundary of 12 components
Five transcendental folds of transcendental worlds
Seven transcendental components manifesting as seven transcendental dimensions

The inner folds transcending through the origin of Sun

Seven transcendental axes constituting dimensional frame of pole star

Trimurti

Lord Brahma

Lord Shiv

Lord Vishnu

Unity state (4, 5, 6, 7)

Creator the supreme

4 space as dimension

4 space as boundary

4 space as domain

4 space as origin

5 space as dimension

5 space as boundary

5 space as domain

5 space as origin

5 space as base of origin

Sun

sustaining transcendental worlds

Creating unity state

Of the order of nature

Leading to Brahman domain

Section-4 Lessons 181 to 240

Sun Light Basis of Knowledge

To install Shivlingam in mystic symbol

Transit from Shad Chakra format to Dash Chakra format

Transit from Transcendental boundary to Dwadash Adityas
Chase NVF (LIVING BEING) = NVF (DISCIPLINE)
Transcendental State of consciousness
Transcend Creator space to Transcendental worlds
Transit intelligence domain to consciousness domain
Transcend from manifestation layers to transcendental ranges
Transcend 5 x 5 matrix format
Self referral State of consciousness
Transcend 5 space to 6 space
Transit consciousness domain to self referral domain
Transcend Transcendental range to self referral path Day
Transcend 6 x 6 matrix format
Unity State of consciousness
