1. One shall avails this opportunity to have comprehensive view of discipline of Vedic Mathematics, Science & Technology.
2. This discipline deserves to be approach as a range of values of Triloki and Trimurti.
3. This range of values deserves to be chased along the format of Sathapatya measuring rod synthesized by hyper cube 1 to 6.
4. The existence phenomenon of our solar universe including that of existence within human frame is of values of 6-space VMS & T.
5. One shall visit and revisit the values of 3-space VMS & T, 4-space VMs & T, 5-space VMS & T and 6-space VMS & T along the transcendental format of hyper cube 5.
