

# Vedic Mathematics Teachers Course

## Lesson 10 Sequential Visit from First Letter to the last Letter

For to be parallel with values of Mathematics of Vedic Ganita Sutras, One shall have a sequential visit from first letter to the last letter of text of Vedic Ganita Sutras. The ultimate command follows as is summed up and preserved in ***Shrimad Bhagvat Geeta 17.23*** :

ॐ तत्सदिति निर्देशो ब्रह्मणस्त्रिविधः स्मृतः ।

ब्राह्मणास्तेन वेदाश्च यज्ञाश्च विहिताः पुरा ॥२३॥

Note:

- (1) TCV (ॐ तत् सत् इति निर्देशः)=81 = $3^4$
- (2) Hypercube 81 is of  $2 \times 81 + 1 = 163$  versions transcendental format
- (3) TCV (ॐ ऐं ह्रीं क्लीं चामुण्डैः विचैः)=163
- (4) Manifested creation is domain of TCV (ब्राह्मण, वेद, यज्ञ, पुरा)=83
- (5) Values pair (81,83) is of the format (81 dimensional fold, 83 as domain fold)
- (6) Value  $81=3^4$  is parallel with four folds creation format of square as a set-up of

quadrupel quarter squares (2-space) of 3-space as origin.

- (7) One shall sit comfortably and to permit the transcending mind to be parallel with the transcendence phenomenon of spatial (2-space) order creator's (4-space) space of reach uptill solid(3-space) order transcendental (5-space) domain.
- (8) This transcendence phenomenon as a Vedic knowledge system of it's own, transcends beyond from solid (3-space) order transcendental (5-space) domain into creative (4-space order) self referral (6-space).
- (9) It will be blissful to imbibe that first letter (6<sup>th</sup> vowel) of TCV 6 and of Sathapatya (6-space/Hypercube 6) formt is of 13 versions, parallel with TCV(: / last letter) of text of Vedic Ganita Sutras.
- (10) One shall sit comfortably and to permit the transcending mind to continuously remain in prolonged sitting of transe to fully glimps and to completely imbibe the bliss of values of mathematics of Vedic Ganita Sutras of sequential

arrangement of domain of  
6-space/existence phenomenon of  
solar universe.
